SKI AND SNOWBOARD EQUIPMENT RENTAL DESCRIPTIONS:

PACKAGES: Include skis boots and poles, or snowboard boots and bindings.

INDIVIDUAL ITEMS: We break all of our package items down, so people can rent exactly what they need.

Child Ski and Child Premium Ski (12 and under)

Our specially shaped and designed skis will help children learn quickly are offered in the child ski package, or for those rippers who desire performance twin tips should opt for the Premium. (All sizes and abilities will be accommodated).

Child Snowboard (12 and under)

The child snowboard is softer and specially designed for their learning needs. (All sizes and abilities will be accommodated).

Beginner/Sport Ski

We recommend the beginner/sport skis for beginner adult skiers. The shaped yet forgiving technology will accelerate the learning process. These skis are included within the Beginner's Magic™ Package.

Deluxe Ski

Deluxe skis are of great quality and help to build confidence for intermediate and advanced skiers.

Premium/Demo Ski

You will find all the best, top of the line skis touted in the ski magazines for that season in this category. From go everywhere, to do everything specific models to condition specific gear.

Deluxe and Premium Snowboard

Deluxe snowboards are available for the entry level rider to advanced, and the Premium board for the rider who knows what he/she specifically wants.
